

Église Réformée de la Rive-Sud (ERRS) [South-Shore Reformed Church] Building Acquisition and Transformation Project

WHO WE ARE

- A reformed church in Charny, Québec. An assembly with 19 families, including many young kids.
- One of the 5 reformed churches that form the Quebec Reformed Churches (ERQ). More information is available on our website: (<https://errs.erq.qc.ca>).
- Affiliated with CanRC, PCA and OPC, URCNA and also member of NAPARC and WRF.

By His grace, our Church has started to grow following the recent ordination of our pastor, **Blaise Tsabang** and the designation of two elders, **Gaétan Jacques** and **Pierre Carignan**. God willing, our first deacon will soon be ordained. We are also planning to launch the training of new elders and deacons very shortly.

OUR PROJECT

Farel Reformed Theology Seminary (FAREL), owner of the building we worship in, intends to sell it in 2023, with a 50% discount for us compare to the market price. Having considered all options at hand, the cost-effective option is to become the new owners of the building. The location is firmly rooted in the minds of our community and neighbours and is centrally located for easy access, regionally as well as provincially.

Our two-fold objective is to acquire the building and transform it within a 3 – 5 year span to meet our needs and vision (See **Appendix A** for more details and **Appendix B** for conceptual design).

OUR FINANCIAL NEEDS

In spite of the full engagement of the congregation, we acknowledge we cannot do this alone. We will make sure to provide you with clear and detailed quarterly report on the progress of this project.

<u>PHASE 1: Acquisition</u> Goal: Acquisition of the building, maintenance and operational expenses	<u>PHASE 2: Transformation</u> Goal: Restoration and transformation of the building according to our needs and vision
